

Fresno DPF Cleaning worksheet

Use one sheet for the same job. Keep exclusions beside the price.

1. Gather the details

- ☐ Fresno-area location and where the vehicle or removed filter is held
-
- ☐ Vehicle year, engine model and DPF part number if available
-
- ☐ Warning messages, recent service and prior cleaning records
-
- ☐ Whether removal, transport and reinstall are needed
-
- ☐ Number of filters and the required return-to-service window
-

2. Compare two written proposals

Question to confirm	Quote A / business	Quote B / business
Accepted filter Is this exact filter accepted for the process?		
Work boundary Are removal, diagnostics and reinstall included?		
Inspection What checks and before/after records are provided?		
Exceptions How are damaged or unserviceable filters handled?		
Logistics What transport and turnaround terms are confirmed?		
Total + exclusions / extra charges
